

Dynacorn Int. Dealer Qualifications

1. Your business must be that of Classic Muscle Car restoration, parts sales or both.
2. Your business cannot be strictly Internet, eBay (any auction site) or swap meet.
3. You must maintain a business address separate from your house, garage, basement or adjoining property.
4. You will be required to submit a buy in of \$10,000 for the wholesale distribution.
5. Understand becoming a dealer for Dynacorn International Inc. **does not make you a dealer for Dynacorn Classic Bodies Inc.** or eligible to become one for one year from the date of acceptance providing you have maintained an account in good standing.
6. We do not offer open accounts to any new dealer for a term of one year from acceptance.
7. You will be required to send pictures of your facility both inside and out, current projects, and copies of all documentation making you legal to do business in your state, county and city. These may or may not include a business license, state retail tax certificate or county license. You may e-mail pictures to sales@dyncorn.com

If you feel qualified, please **RETURN THE ORIGINAL signed documents (Faxed or emailed copies will not be accepted)** including all the requested pictures and paperwork to us. At this point, you are responsible for how long it takes to process the application.

NOT ALL APPLICANTS WILL QUALIFY OR BE ACCEPTED AS A DYNACORN DEALER.
